- Detention in connection with war	50.000
<p>War risk</p> <p>The insurance will cover reasonable and necessary expenses for insurance events that are covered by the present insurance and that have occurred directly or indirectly as a result of war, war-like acts, insurrection or civil unrest</p>	Covered

Extended cover

	Amount in DKK
A. Accident cover	
- Death	Not included
- Disability	Not included
The insurance covers compensation for disability (permanent injury) or death as a direct consequence of an accident. The employee has a right to disability coverage if the event has led to a degree of permanent injury of at least 5 %. If an accident leads to the death of the employee, the surviving relatives will receive the compensation.	
- Assault	Not included
If the employee is exposed to an intentional assault resulting in personal injury, the insurance equals the amount that the person causing the injury would be ordered to pay in accordance with Danish law. <i>Please report the incident to the local police.</i>	
B. Life assurance and illness-related disability	
- Death	Not included
- Disability	Not included
The insurance covers compensation for disability (permanent injury of minimum 5%) or death causes by illness. If the employee dies the compensation will be given to the immediate family.	
C. Luggage	
The insurance covers ordinary luggage, passport, tools, and effects belonging to the employee or the company. <i>Please remember to report theft to the local police.</i>	
- Luggage delay	Not included
The insurance covers the necessary replacement of clothes and toiletry articles if the registered luggage is delayed in relation to the insured's arrival at a place of destination outside the insured's country of residence. <i>Please remember Property Irregularity Report and documentation for expenses.</i>	
- Travel documents	Not included
The insurance covers theft of and damage to tickets, passport, visa and credit cards. <i>Please remember to report theft to the local police.</i>	
- Flight delay	Not included
If a flight is delayed for a minimum of five hours as a consequence of bad weather, strike or lockout, the insurance will cover extra travel and accommodation expenses. Please remember documentation from the carrier.	
- Delayed departure	Not included
If your return journey to Denmark with public transportation is more than five hours late, the travel insurance will provide cover. The delay is calculated on the basis of the travel time and place of the return journey stated on the travel document and any changes announced prior to commencement of the journey. Documentation from the transport company for the delay, the duration and cause must be presented	
- Excess when renting motor vehicles	Not included
The insurance will cover events in connection with insurance covering loss of or damage to passenger cars, motorbikes or mopeds rented on a journey outside the country of residence. Mandatory insurance for the motor vehicle must be taken out before the coverage from Gouda cover is valid.	
- Cancelation	Not included
The insurance will provide cover if the insured cannot commence the trip or the purpose of the trip cannot be met due to death or serious acute illness/injury of the insured himself/herself or his or her spouse/cohabitant or immediate family. This also applies if there is a Fire, flooding, burglary or storm damage in the insured's private home or the insured's own business immediately prior to the departure. Please provide documentation for the cancelation.	
D. Late arrival	
The insurance covers extra travel expenses should the employee undeservedly and unexpectedly miss his/her flight or other public transport. <i>Please contact Gouda's Alarm Centre.</i>	
E. Personal liability:	
- Personal injury	10.000.000
- Property damage	5.000.000
The insurance covers personal liability during business travels. This also includes a liability cover for damage to the hotel room (Excess DKK 2.000). It is important that the employee does not admit to any guilt, but contacts Gouda immediately.	
Legal Assistance abroad	
The insurance will cover reasonable and necessary Expenses for legal assistance if a dispute that has occurred during the trip or at the destination requires legal assistance. Please contact Gouda's Alarm Centre.	
Deposit/guarantee	
Deposit/guarantee shall mean payment that can permanently or temporarily release the insured or the insured's possessions from detention by the local authorities. The security pledged in the form of a deposit/guarantee shall be regarded as an interest-free loan, which shall be repaid to Gouda upon release or on demand. Please contact Gouda's Alarm Centre	
F: Kidnapping	
If the insured is kidnapped or exposed to highjacking, the insurance will cover expenses/fees to a professional counsellor appointed by the insured and approved by Gouda
